## ABOUT ME

I am the eldest of four siblings. I have worldly experience and was previously living in Cairns, North Queensland, and gained international schooling as well as cultural experience during a four year period residing in the Middle East. I am a mature youth, I am trustworthy and eager to learn. I have experience working in a restaurant as a kitchen hand for eight months and have previously worked at McDonalds for 13 months, working on the front counter serving customers and making fries. I am a motivated individual keen to learn new skills whilst also being conscientious and reliable. Key strengths include perseverance, patience, willingness to learn new things and I am a fast learner.

## EDUCATION

Parklands Christian College - Year 12

## ACHIEVEMENTS

### 2020 DoFoodSafely Certificate

This certificate was earned when you complete the DoFoodSafely quiz. It provides knowledge on how to properly prepare and handle different types of foods and how to prevent food poisoning, handle allergies and storing food safely.

### 2019 First Aid Certificate

This was given to students that successfully completed a first aid course that provided the necessary knowledge to deliver first aid and manage casualties, the incident and others.
